

STRENGTHS

Creative Problem Solving: Able to bridge the gap between design and front-end code efficiently.

Detail-Oriented Execution: Committed to delivering pixel-perfect user interfaces with clean layouts and typography.

Adaptability & Learning Agility: Quick to learn new design trends, modern web development frameworks, and tools.

Effective Team Collaborator: Strong interpersonal skills to communicate smoothly with both creative designers and technical teams.

HOBBIES & INTERESTS

Listening to Music: Helps maintain focus and reduces stress levels.

Engaging with Informative Content: Watching documentaries, technology channels, or reading articles to gain knowledge.

Playing Sports: Engaging in outdoor activities to stay physically healthy and fit.

Browsing the Internet: Exploring new design ideas, UI trends, and emerging technical innovations online.
